DEVELOP YOUR PERSONAL STYLE

10.30 am – 12.30 pm

Max: 4 people - £30.00 per person

During this workshop we will be uncovering your individual style personality through the clothes you choose, your favourite labels and your style icons. By the end of the 2 hours you will have a better understanding of the image you portray through your clothes and how you can develop your style to fit with your personality and lifestyle.

GET COLOUR CONFIDENT

10.00 am – 1.00 pm

Max: 4 people - £45.00 per person

This workshop is a great opportunity to find out more about the process of colour analysis. Each person will have a short colour consultation to determine their primary colour palette, followed by advice on adapting their current wardrobe and combining colours to best effect.

Swatch wallets will be available to purchase.

THE ART OF ILLUSION DRESSING

10.00 am – 1.00 pm

Max: 4 people - £45.00 per person

This workshop will help you to understand your body shape, proportions and scale and how to dress to flatter your shape and disguise those problem areas.

You will be asked to bring along a couple of items from your wardrobe that you would like advice on. **You will not be expected to remove any clothing!**

These workshops will take place at my home in Dumbleton

PLEASE NOTE: These workshops are not as in-depth or detailed as one to one consultations. Hand-outs will be provided during each workshop and you are also welcome to take your own notes, but you will not receive the same personalised folder included in full consultations.
